FINAL, RFI/RI WORKPLAN, ROCKY FLATS PLANT, 400/800 AREA RE: (Operable Unit No. 12), October, 1992

Dear Mr. Lockhart;

The Colorado Department of Health, Hazardous Materials and Waste Management Division (the Division) and the U. S. Environmental Protection Agency (EPA) have reviewed the subject document submitted by DOE and prime contractor, EG&G.

The Division hereby grants conditional approval to the work plan subject to DOE's satisfactory resolution of comments made by the Division and EPA. The Division's comments are attached; EPA's comments are being transmitted separately.

DOE should carefully consider the comments and submit replacement pages and revised maps as necessary no later than December 18, 1992. New or revised Standard Operating Procedures (SOPs) referenced in this work plan should also be submitted by this date.

If you have any questions concerning the Division's comments, please call Harlen Ainscough of my staff at 692-3337.

Sincerely,

Gary W. Baughman, Chief

Facilities Section
